

Home from home childcare for ages 3 months to 8 years set in wonderful rural surroundings

We love wellies!

With our amazing green spaces including a fantastic outdoor classroom, play equipment and our very own gardening club, Rocking Horse Kids love the great outdoors whatever the season.

Yum!
And with all that fresh air, fun and exercise, it's no surprise that our home-cooked food is such a big hit!

Come and see for yourself

When we created Rocking Horse Nursery back in 2002 our aim was to provide expert childcare in a setting that children would view as a home from home. With a close knit team that really bonds with children and their families, a comfortable environment coupled with superb home-cooked meals and wonderful open spaces, we believe that we have achieved all that we set out to. We really hope that you will agree.

But don't take our word for it, come and see us for yourself.

Call us now on 01225 700894 to arrange a visit.

We're sure you'll want to come back.
